### Cloud Solutions:

AWS, Microsoft Azure

## EXTRA - CURRICULAR ACTIVITIES

### Gavel Club Member

University of Kelaniya (2021 - 2023)

### President Scout Award

Sri Lanka Scouts Association (2014)

Leveraging theoretical knowledge and practical skills from my IT degree to contribute to innovative projects, gain hands-on experience, and grow professionally in the IT industry. Eager to collaborate and make meaningful contributions to the successful development of innovative software products.

## ACADEMIC QUALIFICATIONS

### BSc (Hons) in Management and Information Technology (2020 - 2024)

I achieved a GPA of 3.37 at the end of my third year in the Department of Industrial Management at the University of Kelaniya.

### Research on Blockchain and Organic Supply Chain (2024)

There is a pending research publication to present.

### GCE Advanced Level – Biological Science Stream (2018)

Passed with 3 'B' passes.

## PROFESSIONAL CERTIFICATIONS

### Pearson Assured Diploma in Information Technology

ESOFT Metro Campus (2019)

## WORK EXPERIENCE

### Intern Analyst Programmer (2022 - 2023)

MYNDi Private Limited

## ONLINE CERTIFICATIONS

### Complete Java SE 8 Developer Bootcamp (2024)

Commonwealth of Learning

### Get Started with Jira (2023)

Coursera

## PROJECTS

### Web-Based Management System (2022)

#### Django Framework, MySQL

Developed a Python-based system for Richmond College Scout Group, managing members, access, and inventory. It tracks attendance, manages skills, and enables self-registration. Detailed reports provide insights, while patrol and event management boost efficiency and engagement.

### Notepad Application (2024)

#### Spring Boot, React, MySQL

Simple notepad application that allows multiple users to login and manage their text content.
